

## **The Barefoot Doctor Community Acupuncture Clinic Sliding Scale**

The Barefoot Doctor Community Acupuncture Clinic offers high quality acupuncture treatment at affordable rates in a community setting. It normally takes a course of several treatments in order to gain the maximum effect acupuncture can offer, with the number of treatments varying for each person. These treatments need to be done frequently and regularly- once a week is usually the minimum to make progress on most conditions. The purpose of our sliding scale is to assure that money does not become a barrier to a person being committed to their treatment plan- It is important to us that you come in frequently enough to see results and to stay healthy.

This table contains suggested guidelines for payment based on income, however, we realize that circumstances vary and change from time to time, so we leave it up to you to decide what you can afford. No questions asked. Payment is confidential, and all patients will receive equal treatment.

Income	First appointment paperwork fee	Acupuncture Treatments	Additional Treatments within the same week
Under \$20,000	\$10.00	\$15.00	\$15.00
\$20,000-\$25,000	\$10.00	\$20.00	\$15.00
\$25,000-\$30,000	\$10.00	\$25.00	\$20.00
\$30,000-\$50,000	\$10.00	\$30.00	\$20.00
\$50,000+	\$10.00	\$35.00	\$25.00

In order to separate business from treatment we ask that you pay before sitting down for your treatment. Until we have a receptionist, there will be a box for you to place payment in- place it in an envelope with your name on it and feel free to put any questions or comments in the envelope as well. A schedule will also be available, and you are encouraged to reschedule yourself at the time which works best for you.

For now, we will be accepting cash or checks. If you do not have change, please note how much you are choosing to pay, and the change will be credited toward your next treatment. Please make checks payable to Jennifer Corbin, R. Ac.
